Who am I?

Senior Graphic Designer and Packaging Design Manager with 7+ years of experience leading integrated brand execution across packaging, digital campaigns, e-commerce, retail marketing, and presentations. Skilled at translating complex ideas into clear, high-impact visual communication across print and digital channels, with strengths in layout, typography, concept development, production, and cross-functional collaboration. Experienced in owning projects from concept through launch, building scalable design systems, and producing polished creative for fast-paced, high-volume environments. Brings a strong foundation in brand storytelling, stakeholder communication, and presentation-ready design.

EXPERIENCE

PhatMojo, LLC. 07.10.2018 - Present
El Segundo, CA
Senior Graphic Designer | Brand, Campaign & Packaging Design

- Lead integrated brand execution across consumer product lines, creating packaging, launch campaigns, e-commerce assets, retail marketing materials, and stakeholder presentations.
- Translate complex product and marketing goals into clear visual communication across digital and print touchpoints, with strong emphasis on layout, typography, hierarchy, and brand consistency.
- Own projects from concept through final delivery, partnering with product, marketing, and operations teams to align creative direction, timelines, reviews, and launch readiness.
- Build scalable design systems, templates, and repeatable frameworks that support high-volume output while maintaining strong creative quality across multiple brands and categories.
- Produce polished mockups, production-ready files, and presentation materials that communicate concepts effectively to internal stakeholders, external partners, and vendors.
- Support campaign launches with digital creative including landing pages, email graphics, promotional assets, and other brand-facing marketing materials.
- Manage stakeholder feedback and approvals across multiple concurrent projects while ensuring final deliverables meet brand and production standards.

Campbell's Bolthouse Farms 01.01.2018 - 07.09.2018
Santa Monica, CA
Packaging Designer

- Developed consumer-facing campaign and packaging creative for beverage products, using photography, layout, and composition to create strong shelf and marketing impact.
- Executed visual assets across multiple categories in Adobe Photoshop and Illustrator while maintaining brand standards and campaign consistency.
- Partnered with internal teams to deliver polished creative solutions aligned with product and marketing goals.

Kellogg and Huntley Galleries 04.01.2015 - 04.05.2018
Pomona, CA
Graphic Designer

- Designed print and digital collateral for university exhibitions and events, translating curatorial concepts into engaging visual communication.
- Collaborated with stakeholders to support promotional materials, branded environments, and on-site visual consistency.
- Assisted with exhibition installation and coordination, strengthening experience in event-oriented and display-based design execution.
